<Course Number (Numbering System)>
Course numbers are assigned to each course based on the academic discipline and level to indicate the curriculum structure. By referring to the course numbers, students can develop their course registration plan with an awareness of their academic progression and the levels of the course. Confirm "Numbering System (Course Number)" page in "3. Credit System and Course Category" section of the "Learning Guide" for more details about the course levels.

<Credits>
The number of credits is listed under the 'Required' section for required courses, while it is listed under the 'Elective' section for elective required courses and elective courses.

<Notes>
Other important or supplementary information.

Course Category

<Year Level>

The course is available to students from this year level.
